In the Community

Savage Stone has been very busy and engaged with the community over the last few months.

Savage Stone Participates in Ridgely's Run National Night Out

Savage Stone once again participated in the Ridgely's Run Community Center National Night Out. The family friendly event featured activities including yard games, local vendors, Little Free Library and light dinner of hot dog and hamburgers. Additionally, the community-building event promoted community involvement, raised crime awareness and most of all brought the surrounding neighborhoods together. As host, Savage Stone donated and provided food, assisted in set-up and provided outdoor activities. National Night Out is an annual community-building campaign that promotes strong police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live and work. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community.

Savage Stone Celebrates Teacher Appreciation Day

Savage Stone was proud to support Ridgely's Run Community Center in their Teacher Appreciation Day on August 19, 2025.

The event was held at the Guilford Park High school and celebrated the incredibly important work teachers do for the students in our community! Savage Stone provided bags that were stuffed with supplies so that they can start the school year equipped the things they need and have extra supplies. The teachers of Guilford Park High school play an essential role in shaping the futures of our young learners and teaching them life lessons that they will carry with them even after they graduate. We are excited to support our teachers!

ANNUAL MEETING

Thursday, October 9
6:00pm

Many Thanks

You made our Open House event a day to remember. Full picture gallery on our website: SavageStoneCommunity.com

GPHS Senior Class Rock

Savage Stone and Guilford Park High School Staff recently came together to collaborate and start a yearly tradition in which a "Senior Class Rock" would be placed in front of the school, and every year each graduating class will decorate their own boulder. Savage welcomed the Principal Josh Wasilewski and staff over to the quarry so they could choose a rock for this first graduating class. The selected boulder will be placed in the front of the school. We look forward to continuing this tradition with our next door neighbors at the school (congrats to this first graduating class of 2026)!

DID YOU KNOW?

Savage Stone has given more than 15 quarry tours to over 300 neighbors in the past year.

HAVE A QUESTION?

Email us: Community@savagestone.com

Savage Stone, LLC is a premier, state-of-the-art, granite rock quarry offering a full line of quality crushed stone aggregates serving the contracting industry. We supply materials for many of the area's largest concrete and asphalt producers, as well as commercial and residential projects of all sizes.
