Quarry Updates

Savage Stone has been very busy and engaged with the community over the last few months.

JULY 2024

Savage Quarry donated to mill, pave & stripe Ridgely's Run Community Center parking lot. The new parking lot not only provides a more attractive and appealing community center, but it also helps to prevent serious damage to your neighbor's vehicles.

AUGUST 2024

Savage Quarry sponsored and participated in the Ridgely Run Community Center National Night out.

SEPTEMBER 2024

Savage Quarry hosted Howard County Sheriff's Office for training for their K-9 explosive sniffing dog "Caddy." During the training for Caddy, the Sheriff's Office showed foresight in training with different types and higher volumes of explosives.

OCTOBER 2024

Savage Quarry donated to Guilford Park High School to help purchase a new uniform for their mascot. Lastly, we recently hosted the Howard County District 13 Delegates which included a tour of the quarry and an overview of plant operations.

Savage Stone Participates in Ridgely's Run National Night Out

Savage Stone once again participated in the Ridgely's Run Community Center National Night Out. The family friendly event featured activities including yard games, local vendors, Little Free Library and light dinner of hot dog and hamburgers. Additionally, the community-building event promoted community involvement, raised crime awareness and most of all brought the surrounding neighborhoods together. The event was attended by the Howard County Executive Calvin Ball and other elected officials and community stakeholders. As host, Savage Stone donated and provided food, assisted in set-up and provided outdoor activities. National Night Out is an annual community-building campaign that promotes strong police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live and work. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community.

In the Community

Savage Stone Hires New Community Engagement Liaison

Savage Stone recently hired Eben Smith of Three | E Consulting Group to serve as the quarry's new community engagement liaison.

In this new role, Eben will be responsible for building and maintaining relationships with community members,

stakeholders, and organizations, as well as, acting as a bridge between the quarry and the community. Additionally, he will facilitate communication, organizing outreach initiatives, and ensuring community needs are understood and addressed through active engagement strategies. We're happy to have Eben on the team!

D.H. Bader Management Hired to Operate Ridgely Run Community Center

D.H. Bader has been contracted to oversee operations of the Ridgely's Run Community Center. The community association management company

helps the Board run the community center and will be in charge of daily operations, including communication, maintenance and upkeep, as well as, meeting administration. Savage Stone is happy to continue our support of the community center and the Ridgely's Run Community Association (RRCA). Launched in 2007 by Savage Stone, the RRCA was founded to benefit the community residents. In addition to helping establish the association, the quarry has also donated over 11 acres of land and spent over \$2.0 million in building the RRCA community center and accompanying amenities.

DID YOU KNOW?

Savage Stone is one of 25 active quarries in Maryland [USGS 2022].

FUN FACT!

Each person in the US requires 9 tons of aggregate yearly.

HAVE A QUESTION?

Email us: Community@savagestone.com

Savage Stone, LLC is a premier, state-of-the-art, granite rock quarry offering a full line of quality crushed stone aggregates serving the contracting industry. We supply materials for many of the area's largest concrete and asphalt producers, as well as commercial and residential projects of all sizes.
